LET'S WRITE!

Writing is a fundamental part of your child's life. Writing also builds fine motor skills in the pincer grasp (between the thumb and forefinger).

BRAIN BUILDERS

At your child's age, writing can be frustrating. Try to make writing fun! Grab a pan and pour cornmeal to fill the container. Encourage your child to write letters in the cornmeal.

JULY 2020

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
YOUR CHILD IS AMAZING! **Recommended Book of the Month:** **"I Am Not A Chair!" by Ross Burach**			1 Spell your child's name on a piece of paper in marker. Your child will trace over the letters in crayon or pencil. Repeat this once a day.	2	3	4
5	6	7 Spread shaving cream on a flat surface. Encourage your child to write letters in the cream.	8	9	10 Count It Out! Write out numbers in marker. Have your child trace over the numbers. Also, help them count.	11
12 Put a cookie pan on the table, with magnetic letters help your child spell out simple words.	13	14	15	16 **Read Aloud:** Choose a book for your child to read. While reading, ask them to identify letters in particular words.	17	18
19	20 Encourage your child to write their name on their own. Assist them along the way.	21	22	23	24 **Count It Out!** Prepare a snack with your child, have them count out how many items they will eat.	25
26 Use play dough to make letters and shapes with your child.	27	28	29	30 **Read Aloud:** Read P is for Pelican The ABCs of Pensacola. Go over the letters that are in your child's name.	31
