

# Frontdesk Anywhere The Cloud Built for Hotels

Frontdesk Anywhere is an award-winning web-based Property Management System, devoted to independent hoteliers and management groups.

# What is a Cloud-Based PMS?

## PMS = Property Management System

A PMS **facilitates** the management of properties.

Major features:

- ☑ Reservation Management
- ☑ Rate & Availability Management
- ☑ Operational & Financial Reports
- ☑ Guest Management & Communication

## Cloud-Based Software (like Frontdesk Anywhere)

Available **anytime, anywhere**, from **any Internet-connected device**. Pricing is typically a flat monthly/annual fee.

### ≠ Installed Systems

Require to download and install the software on a computer. Important initial expenditure to buy the software + additional costs for maintenance and update.

# The Advantages of a Cloud PMS

Powerful Features  
Accessible from Anywhere

## \$ Lower Costs:

Affordable monthly subscription,  
No installation, maintenance, or  
upgrade costs,  
No commitment.

## 😊 Improved Flexibility:

Accessibility on any device, anywhere,  
Nothing to download or install,  
Fast training, easy-to-use system.

## 🔒 Superior Security

Data saved, backed-up & secured in  
real time  
SSL and automatic encryption.

## Powerful integrations to do more, in less time:

Integrations with 3<sup>rd</sup> party systems, including:

- ✓ Channel managers
- ✓ Payment gateways
- ✓ Revenue manager, e-reputation, and more

A photograph of the Golden Gate Bridge in San Francisco, California, viewed from a low angle looking across the water. The bridge's red towers and suspension cables are prominent. In the background, there are green hills and a few sailboats on the water under a clear sky.

# Who is Frontdesk Anywhere?

Frontdesk Anywhere leads the way in cloud-based property management systems, integrating front desk operations, room /rate management, reports and online distribution into a single easy to use platform.

Established in 2009, the company is headquartered in San Francisco, California with all design and development done in-house. We innovate and adapt to the changing needs of our customers by integrating their feedback directly into our development process. Our platform has been proven as a cloud leader serving over 1,000 hotels across 45+ countries with a documented 99.9% uptime in 2014.

The Frontdesk Anywhere team gathers hospitality and technology industry veterans who understand current technology and travel trends and strive to bring innovation to the hospitality industry.

# The Frontdesk Anywhere Difference (1/2)

- Serchen 2014 & 2015

I have worked on numerous hotel property management systems during my career and I have not come across a system more user friendly, easy to learn, and versatile than Frontdesk Anywhere.

**Kirt - General Manager**  
**Buena Park Hotel & Suites**

Easy to use, intuitive software with a great support team.

**Bruce - Owner**  
**The Summit Resort Hotel**

# Move to the Cloud Today!

## **Seamless Integrations**

Frontdesk Anywhere integrate and interact with a large range of 3rd party software.

This is a fast growing cloud-based ecosystem with Frontdesk Anywhere at the hub. The possibilities are limitless.

## **Migrations Made Easy**

It's never been easier to move from your legacy system into the cloud.

Frontdesk Anywhere can transfer data from the most common property management systems to it's state-of-the-art cloud platform.

## **Get Started Fast**

Have your property up and running in a matter of hours, not weeks or months.

Training is included, from the start, for new hires, or simply to ensure your staff is making the most of the system.
