CELEBRATE AT SEASIDE
Homeowner's Collection Offers Several Beautiful Venues
Available Year Round for Parties, Weddings and Special Occasions

FOR IMMEDIATE RELEASE

Seaside, Fla. (Oct. 29, 2013) — Celebrating a wedding, marking a milestone or hosting a holiday occasion at Seaside transforms an event into a special one when it is held in one of the many beautiful spaces in the town of Seaside.

The architecture of Seaside extends beyond its rooflines and materials. Beyond its styles. Beyond Charleston, Victorian, Antebellum, or various Revivals. Yes. All of these details and influences comprise the architecture of Seaside, founded by Robert and Daryl Davis. Placing an event in the storied New Urbanist town with its distinct sense of place — elevates an event from ordinary to extraordinary.

From the elegant Chapel, to a private beach set against the glorious Gulf of Mexico, to the artistically-inspired Ruskin Place Park, Homeowner's Collection is ready to make your next Seaside event a memorable one.

The Seaside Chapel is one of the crown jewels of this famed town. Designed by architect Scott Merrill, the Chapel is now 12 years old and remains one of the many celebrated architectural landmarks in the community. The Chapel's primary purpose will always be to create a place of worship within the Seaside community. But, over the years it has become a highly sought after venue for destination weddings. And, why not? There is something special about being married at The Chapel at Seaside.

Reserve three cottages within the community of Seaside and enjoy a 10 percent reduced rate on the Chapel rental fee.

Seaside Beach Pavilions

Stage an affair to remember for up to 200 guests on the sugar-white sands of Seaside's private beaches. Choose from two stunning, beachfront venues: Seaside Pavilion or the Coleman Pavilion each serving up spectacular vistas of the Gulf and surrounding sand dunes.

Ruskin Place Park

Originally designed as a working artists' colony, Ruskin Place is a collection of three-story townhomes centered around a landscaped park, an event stage and a sculpture-filled Fairy Park. An event in this shady tree-lined park is sure to be magical. Consider it for a seated reception for 70 guests or a cocktail-style event up to 100. Enjoy your event al fresco under the stars, or with festive white tenting.

Whichever space best suits you, you are sure to make an ordinary event extraordinary when holding it in a space managed by Homeowner's Collection at Seaside.

ABOUT SEASIDE

The Town of Seaside is a gulf front community located in South Walton on Scenic Highway 30A between Destin and Panama City Beach. Founded in 1981 by Robert and Daryl Davis, Seaside is the much-heralded birthplace of The New Urbanism movement, which is based on rediscovered traditional town planning principles. Situated on 80 acres, Seaside is a pedestrian-scaled beach town with nearly 500 residences and 60 specialty boutique shops, along with several restaurants, a repertory theater, amphitheater, park, swim and tennis club, and interfaith chapel — all accessible within a short stroll or bicycle ride.
