and Charles Salvaggio**

The Salvaggio family has been involved in construction for over 70 years. What began in the Forties with demolition and excavation, continues with commercial and residential custom building and renovations. Today, The Salvaggio Group is known throughout the Mid-South for its advanced knowledge of the diverse building industry. Their specialties include remodeling and additions, exquisite custom homes, specialty medical, historic renovations, and general commercial construction/remodeling. Recently, The Salvaggio Group has entered the Oxford, MS market with the same mission of quality construction. Whether it's an outdoor living space, kitchen, bathroom or in-law addition, they build every project with an understanding that your home or business is your largest investment and your family your highest priority. The Salvaggio Group's mission is simple "It's our family building for your family."
